

Compassion, Prayer, Relationships

GO Trips are short-term mission trips (7-14 days) individually designed to come alongside our missionaries in different countries helping their long-term efforts through *compassion, prayer and relationships*. Through GO Trips, you will have the opportunity to participate in what God is already doing around the world. This is not just another trip. You will be equipped to go as learners and servants - realizing that we have much to learn from our brothers and sisters around the world.

So are you ready to make a difference? Please pray about how you can administer *CPR* in 2010!
