

Fundraising for
Summer Trips

Fundraising Info

Rent-A-Teen will be the primary focus of fundraising this year. There will be an auction in the gym on February 28th where students will be auctioned off starting at \$50.

Students will be paired together to work jobs that the winning bidder will hire the students for. Students will have to write a brief "job description" of what they can do for the bidders.

Girls will be auctioned for more domestic jobs, babysitting, cleaning etc. Guys will be auctioned to perform heavier and dirtier jobs. All students will work 5 hours each for a combined 10 hours together. They will work in pairs with others who are going to on the trips with them.

Tickets will be sold at \$5 per adult, this will give you food and a chance to bid on students.

Global Outreach Yard Sale Saturday March 20st

There will be one more opportunity to raise money after the student auction. On March 20st there will be the annual Global Outreach yard sale. Students will be responsible for bringing items to sell. Students will work the yard sale and split the money evenly based on the hours worked.
