

## 7 Core Principles

Our goal is to have students know and understand all 7 of the following principles when they graduate our ministry.

### 1) Authentic Faith

We want students to understand faith. True faith is confidence that God is who he says he is and he will do what he tells us he will do. Hebrews 11:1, Proverbs 3:5-6

### 2) Spiritual Disciplines

Students need to know the ways in which they can grow closer to God, this is through spiritual disciplines to renew our minds and make us more like Christ. Romans 12:2

### 3) Moral Boundaries

We want students to develop clear moral limits in their life. Romans 12:1, Galatians 5:19, 1 Thessalonians 4:3-5

### 4) Healthy Friendships

We want students to develop healthy and Godly friendships. Proverbs 13:20

### 5) Wise Choices

We want students to look through the lens of Christ when they make decisions. Ephesians 5:15-17

### 6) Authority

We want students to know that God is the ultimate authority and to respect the authority that he has given to people on earth. Romans 13:1-2

### 7) Me Last, Others First

We want students to put the needs of others ahead of their own and that their life is to be about humility and service. Philippians 2:3-11

## High School Student Ministries of Community Bible Church

### CBC Student Ministry Mission Statement:

To lead students into a growing relationship with Jesus and to be fully engaged in a community of followers of Jesus for the purpose of making a difference in the lives of others like Jesus did.

*“Don’t let anyone look down on you for being young, Instead, make your speech, behavior, love, faith, and purity an example for other believers.” I Timothy 4:12*

# Our Ultimate goal, in everything we do, is to see life change!

## SUNDAY MORNINGS !

High school students have two options on Sunday mornings, Student Impact and Sunday school.

-STUDENT IMPACT is a structured environment in which students serve in the church either first or second hour. Students attend worship service the other hour. We believe that this builds service in the hearts of students. Our goal is to provide a strategic environment for students to grow in their faith through serving others.

SUNDAY SCHOOL is held in modular 1 during the 9:30am hour. High School students study through the Answers in Genesis curriculum. Beth Howard and Kim Parker teach students how to study God's word using inductive bible study techniques.

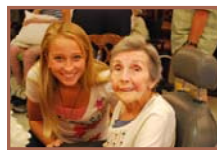

**HIGH SCHOOL "PRIMETIME"** is our group teaching and fellowship time on Sunday nights from 7:00 - 8:30. Students come together to worship, hang out in our Student Center and have a meaningful teaching time geared for today's High School student. It's a fun and safe environment to build relationships and grow spiritually. Students are encouraged to bring their friends from school and work.

**SMALL GROUP** is the place where students really get plugged in and build deeper relationships with their peers, adult leaders and most importantly God. We have groups throughout the week and for different grades. If you are interested in a small group, please contact Tanya Shelton or Jeff Smith to get connected with your students small group leader. **We'd love every High School student to be a part of a Small Group!**

**MISSION AND SERVICE TRIPS** are an important part of CBC. We encourage our students to take part in intermediate and upper level mission trips. High School trips are within the United States as well as overseas. On the summers that we do not go on mission trips we attend week long camps as well as conferences. Our prayer is to make a difference in the lives of students by showing them Christ.

**SPECIAL EVENTS** could include a trip to Celebration station, laser tag, student conferences, concerts or pool parties. Retreats that we take are designed so we can spend quality and in-depth time with each other providing fun as well as *life changing experiences*.

## GPS (God-Parents-Students)

GPS is a monthly time of teaching and prayer for parents of middle and high school students.

The GPS teaching time will focus completely on issues involved in raising students.

GPS meets one Sunday a month during the 9:30 hour in the High School room/Video Café.

Student ministry is here first to glorify Christ then to equip students. In equipping students we must first start with the most influential people in student's lives, their parents. Students are a gift from God and it's the parents responsible for bringing them up in the ways of the Lord. We want to walk alongside parents and students through middle & high school years.
