

Summer  
Service Trips

# Middle School Asheville, NC

We will be partnering with Recreation Experiences to work on homes in the Asheville area. We partnered with Recreation Experiences last year and like last year, we will be working on homes that social services submits to Recreation Experiences.

This year we will be doing more labor intensive work. We will be working on small carpentry jobs. This may be roofing, hanging sheetrock and other jobs. Students will need to bring work gloves, protective eye wear and a hammer.
