

7 Core Principles

Our goal is to have students know and understand all 7 of the following principles when they graduate our ministry.

1) Authentic Faith

We want students to understand faith. True faith is confidence that God is who he says he is and he will do what he tells us he will do. Hebrews 11:1, Proverbs 3:5-6

2) Spiritual Disciplines

Students need to know the ways in which they can grow closer to God, this is through spiritual disciplines to renew our minds and make us more like Christ. Romans 12:2

3) Moral Boundaries

We want students to develop clear moral limits in their life. Romans 12:1, Galatians 5:19, 1 Thessalonians 4:3-5

4) Healthy Friendships

We want students to develop healthy and Godly friendships. Proverbs 13:20

5) Wise Choices

We want students to look through the lens of Christ when they make decisions. Ephesians 5:15-17

6) Authority

We want students to know that God is the ultimate authority and to respect the authority that he has given to people on earth. Romans 13:1-2

7) Me Last, Others First

We want students to put the needs of others ahead of our own, that their life is to be about humility and service. Philippians 2:3-11

Middle School Student Ministries of Community Bible Church

CBC Student Ministry

Mission Statement:

To lead students into a growing relationship with Jesus and to be fully engaged in a community of followers of Jesus for the purpose of making a difference in the loves of others like Jesus did.

1 Timothy 4:12

Do not let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity.

Our ultimate goal, in everything we do, is to see life change!

Sunday School takes place at 9:30 a.m. in the middle school room. This room can be found in the student wing of the church. This year, teachers Jim Burchel and John Edwards will be taking our 6-8th grade students through the old testament.

METRO is our large group fellowship time on Sunday nights from 5:00 -6:30. We hang out in our Student Center, play games, and have a meaningful teaching time geared for today's Middle School student. It's a great environment for students to build relationships, bring friends and grow in their faith.

Group Activities During the school year, all Sunday school, Metro and student small groups meet regularly. Our summer schedule is different, we have Sunday school but have events throughout the summer on and off site. For the most current schedule, please see our the website or student ministries newsletter.

Student Small Groups are the place where our students really get plugged in and build deeper relationships with their peers, adult leaders and most importantly God. We have groups throughout the week and for different grades.

Our goal is for every Middle School student to be a part of a Small Group! Please call Jeff or Tanya to get connect with your students small group leader.

Service trips are an important part of CBC.

We encourage our students to take part in *beginning level* stateside service activities. Middle school students take part in service trips here in the states. As they get older, service and mission trips become more challenging. The trips change every year in where we go and what we do. All the trips are centered on Christ and sharing him with others.

GPS (God-Parents-Students)

GPS is a monthly time of teaching and prayer for parents of middle and high school students.

The GPS teaching time will focus completely on issues involved in raising students.

GPS meets one Sunday a month during the 9:30 hour in the High School room/Video Café.

Student ministry is here first to glorify Christ then to equip students. In equipping students we must first start with the most influential people in student's lives, their parents. Students are a gift from God and it's the parents responsible for bringing them up in the ways of the Lord. We want to walk alongside parents and students through middle & high school years.

All of our Student Ministry events are designed to meet students where they are in life. Our prayer is to make a difference in the lives of students by showing them Christ.
